Pasco Extension Offering Quality Beef Cattle Production Seminar

~~Learn how to create a health plan for your cattle~~

DADE CITY, FL ---- The UF/IFAS [Pasco County Cooperative Extension Service](#) Livestock Program is offering a free **Quality Beef Cattle: Vaccinations and Parasite Control Seminar** to help cattle ranchers provide a safe, quality product that will, in turn, keep cattle ranchers profitable.

The course will be held **May 17, 2018** from **6:30 p.m. – 8:00 p.m.** at the Pasco County Extension Office, located at 36702 SR 52 in Dade City.

The seminar is designed for cattle ranchers with operations of all sizes and for anyone else wanting to learn more about how beef cattle are produced in our area. The series will cover the following topics:

- ✓ Vaccinations and Proper Equipment to Prevent Sickness
- ✓ Proper Vaccination Sites on Cattle
- ✓ Parasite Control

[Registration](#) for this free event is required. To register, click [here](#).
