

PASCO COUNTY PASADENA HILLS AREA PLAN

OPEN HOUSE

Glatting Jackson, in partnership with Pasco County and local landowners, is conducting a study of the Pasadena Hills area (shown on map below). This study will result in the creation of a land use and transportation plan that identifies growth patterns to the 2050 horizon. Major objectives of this study will include:

- Providing for long-term mobility
- Providing for a logical extension of urban uses and successfully transition to existing rural neighborhoods
- Providing a “smart growth” approach to accommodate additional growth and development in a sustainable form
- Providing for capital construction of services and facilities to serve new development
- Providing a financially feasible plan
