**PASCO COUNTY METROPOLITAN PLANNING ORGANIZATION
2035 LONG RANGE TRANSPORTATION PLAN**

ENDORSEMENT

This document was prepared by the Pasco County Metropolitan Planning Organization (MPO) in cooperation with the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), and the Florida Department of Transportation (FDOT), District Seven.

The preparation of this report has been financed in part through grant(s) from FHWA and FTA, United States Department of Transportation (U.S. DOT), under the State Planning and Research Program, Section 505 (or Metropolitan Planning Program, Section 104[f]) of Title 23, U.S. Code. The contents of this report do not necessarily reflect the official views or policy of the USDOT.

This document is consistent with the requirements of the Safe Accountable Flexible Efficient Transportation Equity Act—A Legacy for Users (SAFETEA-LU) legislation of 2005.

The Pasco County MPO, at its regular meeting of December 10, 2009, adopted by resolution the 2035 Long Range Transportation Plan.

Further, it is hereby certified that the planning process of the Pasco Area Transportation Study is in conformance with the provisions of 23 C.F.R. 450, 23 U.S.C. 134, and 339.175(7) Florida Statutes, and is consistent with all Federal and State requirements. Federal Register Volume 48, No. 127, Part 450-114, “Urban Transportation Planning Process” Certification was dated June 30, 1983; the previous certification was in February 2005; and the last FHWA/FTA Certification review was in February 2009. The next certification is scheduled for the year 2014.

This certification is being made on the basis of an in-depth review utilizing a check list provided by the FDOT and covering all aspects of the transportation planning process in this urbanized area.

In accordance with Title VI of the Civil Rights Act of 1964 and other nondiscrimination laws, public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, familial, or income status. It is a priority for the MPO that all citizens of Pasco County be given the opportunity to participate in the transportation planning process, including low-income individuals, the elderly, persons with disabilities, and persons with limited English proficiency. You may contact the MPO’s Title VI Specialist at (727) 847-8140 if you have any discrimination complaints.
