Re: Cypress Creek Ice Hockey (LRG14-013)  
Simple Revision Request

Dear Ms. Crary:

On behalf of our client, Z Mitch LLC, King Engineering Associates, Inc. (King) is submitting for review of a simple revision to the approved plans for the Cypress Creek Ice Hockey project (LRG 14-013). Pursuant to approval of the Cypress Creek North Parcel 1 (SML15-014) construction plans, the Cypress Creek Ice Hockey plans have been revised to modify the alignment of the cross access connection to tie in to the approved cross access connection for Lot 1. Also, due to the limited supply of crushed concrete, an alternative pavement section utilizing a soil cement base material has been added to Sheet C7.01. Based on coordination with County staff, this may be used in areas where the minimum separation between the seasonal high water table and the bottom of the base is met. All other permitted activities are to remain as previously approved. Attached for your review are the following items:

- Two (2) signed and sealed sets of the revised plan sheets
- One (1) copy of the Pasco County Review Application
- Simple Revision review fee in the amount of \$300.00 made payable to Pasco County BOCC
- CD with pdf's of all attachments.

Upon completion of your review, please advise as soon as possible when the approved stamped plan copy may be picked up by the contractor and distributed to engineering inspection staff. If you have any questions, please do not hesitate to contact me.

Sincerely,

Nicole L. Lynn, P.E.  
Sr. Project Manager
