

A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, AMENDING RESOLUTION NOS. 01-070, 07-170 AND 07-176 IN THEIR ENTIRETY BY AMENDING THE SCHEDULE OF FEES FOR THE PASCO COUNTY CENTRAL PERMITTING AND BUILDING INSPECTION DIVISIONS.

WHEREAS, Chapters 125 and 489, Florida Statutes, authorize the Pasco County Board of County Commissioners to enact, amend, and enforce technical construction and building codes; and,

WHEREAS, administration of those codes demand a substantial amount of effort and resources by the County for the purpose of determining compliance with those codes; and,

WHEREAS, the County has previously established fees for some of these services by Resolution Nos. 01-070, 07-170 and 07-176; and,

WHEREAS, the County desires to amend the fees established by Resolution Nos. 01-070, 07-170 and 07-176 as those fees are currently deemed inadequate to cover the costs of providing these services; and,

WHEREAS, the following fee schedule has been amended by County staff to reflect the appropriate charge for building, communication towers, ground settlement, docks, seawalls, plumbing, electrical, mechanical, LP and natural gas, fire permits, administrations, and contractor licensing fees.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Pasco County, Florida, in regular session duly assembled, that Resolution Nos. 01-070, 07-170 and 07-176 is hereby amended in its entirety to reflect that the fees to be charged by the Pasco County Central Permitting and Building Inspection Divisions are as follows:

I. General

When an inspection is necessary, in which case there shall be a minimum fee of Forty-Five and 00/100 Dollars (\$45.00).

All permits, categories within permits, and trades of work identified on a permit will be charged a base fee of Forty-five and 00/100 Dollars (\$45.00), plus any additional fee identified in the following list..

II. Plans Examination Fees

A. When plans are required to be submitted or revised plans are submitted pursuant to Section 104.2 of the Florida Building Code, and the Building Permit fee was calculated by adding a "per square foot" figure to the Forty-five and 00/100 Dollars (\$45.00) base fee, then a Plans Examination fee consisting of a Base Fee of Forty-five and 00/100 Dollars (\$45.00) and a \$0.05 per square foot under roof will be added to the permit. This Plans Examination fee relates to the Building Permit fee category only, is

nonrefundable, and is not added to any base fee. There is a minimum Plans Examination fee of Forty-Five and 00/100 Dollars (\$45.00).

B. When the Building Permit fee is calculated using Section VI.C of this resolution, the Plans Examination fee will be equal to one-half of the Building Permit fee.

C. Mobile home set-up permits will be charged a Plans Examination Fee of Forty-Five and 00/100 Dollars (\$45.00).

D. Signs will be charged a Plans Examination Fee of Twenty-five and 00/100 Dollars (\$ 25.00).

E.

Plans on File: Plans may be placed on file at the request of an applicant and the appropriate review fee charged. Subsequent permit applications for plans already filed will require submission of additional prints. The review fee charged will be one-half of the original plan review fee

F. If Pasco County finds it necessary, in order to enforce compliance with the Florida Building Code and issue a permit, to reject design documents required by the code three (3) or more times for failure to correct a code violation specifically and continuously noted in each rejection including, but not limited to, egress, fire protection, structural stability, energy, accessibility, lighting, ventilation, electrical, mechanical, plumbing, and gas systems, or other requirement identified by rule of the Florida Building Commission adopted pursuant to Chapter 120, then Pasco County shall impose, each time after the third such review the plans are rejected for that code violation, a fee of four (4) times the amount of the proportion of the permit fee attributed to plans review.

III. Site Examination Fee

When site plans are required to be submitted for a Building Permit application review, then a site examination fee shall be added to the permit in accordance with the following schedule:

A.	Base Fee:	\$ 30.00
B.	Additional:	
1.	New construction, remodeling and additions	\$ 90.00
2.	Flood Elevation Certificate Document	\$ 10.00
3.	Impact Fee Applicability Determination	\$ 30.00
4.	Commercial Site Verification	\$ 30.00
5.	Concurrency Verification	\$ 10.00
6.	Flood Substantial Improvement Review	\$ 50.00

:

IV. Valuations

The value placed on materials and labor shall be an amount equivalent to that obtained through normal market transaction.

For Flood Ordinance evaluation, a copy of all contract(s) related to the application shall be submitted for review.

V. Building Permit Fees

Buildings, Structures, or Alteration: On all buildings, structures, or alterations requiring a Building Permit, the fee shall be paid at the time of permit issuance in accordance with the following schedule:

A.	Base Fee:		\$ 45.00		
B.	Additional:				
1.	New one- and two-family residential construction, renovation, or remodeling	\$ 0.08	per sq. ft. under roof		
2.	Mobile homes, park models, recreational vehicles, and temporary construction trailers	\$ 30.00	per unit		
3.	Mobile home pre-set up inspection	\$ 40.00	within Pasco County		
		\$ 40.00	plus per diem mileage and expenditure (salary and benefits)		
4.	Residential reroof with Mitigation	\$ 40.00	per unit		
5.	Residential reroof without Mitigation	\$ 20.00	per unit		
6.	Residential swimming pools, in-ground spas	\$ 25.00	per unit		
7.	Commercial swimming pools, in-ground spas	\$125.00	per unit		
8.	Commercial reroofing (Buildings 20,000 sq. ft. and under)	\$ 30.00	per building		
9.	Commercial reroofing (Buildings over 20,000 sq. ft.)	\$ 50.00	per unit		
10.	Aluminum structure with screen roof	\$ 30.00	per unit		
11.	Fireplace: prefabricated	\$ 10.00	per unit		
	built on site	\$ 25.00	per unit		
12.	Signs (Billboard, Pylon, or Pole Signs)	\$ 30.00	per unit		
13.	Signs (Wall)	\$ 20.00	per unit		
14.	Demolition	\$ 20.00	per unit		

C. Commercial and Alternative Building Category Permit Pricing: All commercial construction and any other renovations for which a Building Permit fee cannot accurately be calculated using the above formula will be charged as follows:

<u>Total Valuation</u>	<u>Fee</u>
\$1,000 and less	No fee, unless inspection required, in which case, a \$45.00 fee for each inspection shall be charged.
\$1000 to \$50,000	\$45.00 for the first \$1,000.00, plus \$5.00 for each additional thousand or fraction thereof, to and including \$50,000.00.
\$50,000 to \$100,000	\$260.00 for the first \$50,000.00, plus \$4.00 for each additional thousand or fraction thereof, to and including \$100,000.00.
\$100,000 to \$500,000	\$460.00 for the first \$100,000.00, plus \$3.00 for each additional thousand or fraction thereof, to and including \$500,000.00.

This alternate method is based on job valuation as demonstrated by written contract.

However, in no case shall the valuation be less than that determined by using the latest version of the International Code Congress (ICC) Building Valuation Data.

VI. Structural Inspections by Other than Pasco County Inspectors

When the structural inspections are to be performed by other than a Pasco County inspector AND the County is notified in writing prior to issuance of the permit, AND the owner (contracted included) acknowledges that the structural inspections are to be performed by other than Pasco County inspectors, then the structural portion of the Building Permit fee shall be Forty-five and 00/100 Dollars (\$45.00) (base fee) with no additional fee of \$0.08 per square feet under roof charged.

If, during the course of construction, the contractor requests the County to perform the inspection, then the following fees will be due and payable prior to power release or Certificate of Occupancy:

- A. Masonry Construction: \$0.016 per foot under roof for each remaining structural inspection.
- B. Frame Construction: \$0.020 per square feet under roof for each remaining structural inspection.
