

ACKNOWLEDGEMENTS

The Choice Neighborhoods Initiative would not have been successful without the support and efforts of the entire Lacoochee-Trilby-Trilacoochee community. We would like to recognize the residents of the Pasco County Housing Authority (PCHA) and all of Lacoochee for their assistance, guidance, and volunteerism. Thank you to all who have contributed to our success: Pasco County Housing Authority residents, staff, and management; Lacoochee-Trilby-Trilacoochee area residents; Choice Neighborhoods Management Team; Michele L. Baker, M.B.A., Pasco County Administrator; and the entire Pasco County Board of County Commissioners. We were also fortunate to have the support of U.S. Senator Bill Nelson and U.S. Representative Gus Bilirakis, along with the U.S. Department of Agriculture Rural Development, and the Pasco County Housing Authority's Board of Directors. All aforementioned have supported or assisted in some way with the Choice Neighborhoods Initiative and we are very grateful. We would also like to recognize the U.S. Department of Housing and Urban Development for awarding Pasco County and the Pasco County Housing Authority a Choice Neighborhoods Planning Grant, and for their continued guidance throughout our planning process.

Special thanks to **Jean Hink and Richard Riley**. **Jean Hink** and her entire “army” of volunteers worked tirelessly to canvas neighborhoods, obtaining our initial resident surveys. This information was crucial when it came time to develop the Choice Neighborhoods Transformation Plan. **Richard Riley**, photographer extraordinaire, has spent many hours documenting the activities of the Choice Neighborhoods Initiative with his camera. Richard is due the credit for many of the photographs included in this document.
