

Project Narrative

Popeye's Wesley Chapel

PSP CP SW Simultaneous Submittal - Commercial

The proposed Popeye's Wesley Chapel is a commercial development which will include the construction of a 2,878 restaurant with sidewalks, parking, utilities and stormwater infrastructure. The total acreage of the parcel/development is 0.77 acres.

The sanitary sewer and water distribution services will be provided by Pasco County. The stormwater system will discharge to the master system previously permitted through SWFWMD via ERP 4001840.000.
