

Sports Event Sponsorship Program Recycling Plan

RECYCLING:

In an effort to continue to be “Eco” friendly the TDC requires that the applicant incorporate a recycling plan as part of the application process. The recycling plan must be submitted at the time of application for funding criteria to be met in full.

Upon application approval, you must contact the Pasco County Recycling Coordinator to develop your official recycling plan.

A Recycling Scale Ticket for recycled materials for large events or a bag count report for smaller events must be submitted with the Post Event Report.

The Pasco County point of contact to develop a recycling plan is:
