Doing Business with Pasco County

In an effort to generate more local vendor participation, the BOCC Purchasing Department will be holding a workshop called "Doing Business with Pasco County". This workshop is also meant as a chance for you to provide feedback on ways we can better address the needs of local vendors.

2:30-4:00pm

Preparing Bid/Proposals!

In an effort to assist Consultants/Vendors with submitting bids/proposals, the Pasco County Purchasing Department will be providing a short training on how to put together bids/proposals. Examples of previously awarded solicitations will be provided during the training for your review.
