

## INFORMATION

Our website is full of more detailed information about the Parks and Recreation Department and the programs and recreational opportunities available along with the most frequently asked questions. Please visit our website at [www.pascocountyfl.net](http://www.pascocountyfl.net), Parks and Recreation Department.

We hope you enjoy your visit to Pasco's Parks. Please consider providing us with input regarding your experiences. We need to hear from you. If you value the services your parks and recreation system provides or if you have suggestions on how we might improve services, please complete a customer comment card on line, send an email or mail us a letter. We need your input as well as your support to ensure we can provide the best services possible.

### Volunteer Opportunities

Without our valued volunteers, we could not provide the quality of services we do. If you are interested in joining our team of volunteers, please contact us and let us know what your interests are. Volunteers assist with special programs, special projects, and with park patrol and operations.

### Sponsorship Opportunities

We are thankful to our many sponsors. Many of our programs and special projects have been made possible due to donations and sponsorships from community minded individuals, organizations and businesses. These partnerships allow for many things to happen that would not otherwise occur. If you would like to get involved, please let us know.

### Vandalism

Every year citizens of Pasco County pay taxes to cover the costs for repair or replacement of items which are willfully destroyed. **These parks are yours.** Please help us keep them clean and discourage vandalism. If you see vandalism, please report it to our office and the Sheriff's Office at (727) 844-7711.
