

Post-Disaster Redevelopment Plan

Rebuild a stronger and more resilient future.

Aim

Guide long-term recovery and redevelopment of your community after a disaster.

A Post-Disaster Redevelopment Plan (PDRP) identifies how a community will recover and redevelop after a disaster. It is an 'All Hazards Plan' prepared during 'Blue Sky'/pre-disaster phase to prepare us for the post disaster period.

Recovery Challenges

- **Business Resumption**
- **Economic Redevelopment**
- **Housing Repair and Reconstruction**
- **Infrastructure Restoration and Mitigation**
- **Sustainable Land Use**
- **Environmental Restoration**
- **Financial Considerations**
- **Long-term and Short-term Recovery Issues**

The success of this plan rests on your participation. Come join the PDRP planning process.
