BY BOARD OF COUNTY COMMISSIONERS  ORDINANCE NO. 11-03

AN ORDINANCE AMENDING CHAPTER 78, ARTICLE II OF THE PASCO CODE OF ORDINANCES RELATING TO IMPACT FEES; AMENDING DIVISIONS 4 THROUGH 7, PARKS AND RECREATION, LIBRARY, FIRE COMBAT AND RESCUE SERVICE, AND HURRICANE PREPAREDNESS IMPACT FEES TO PROVIDE FOR THE TEMPORARY SUSPENSION OF THE FACILITIES PORTION OF THE PARKS AND RECREATION, LIBRARY, FIRE COMBAT AND RESCUE SERVICE IMPACT FEES, AND THE TEMPORARY SUSPENSION OF THE HURRICANE PREPAREDNESS IMPACT FEES FOR BUILDING PERMITS APPLIED FOR OR ISSUED ON OR AFTER MARCH 1, 2011 THROUGH DECEMBER 31, 2012; PROVIDING FOR SEVERABILITY, APPLICABILITY, INCLUSION IN CODE, AND AN EFFECTIVE DATE.

WHEREAS, this Ordinance is enacted to carry out the purpose and intent of and exercise the authority set forth in the Local Government Comprehensive Planning and Land Development Regulation Act, Part II of Chapter 163, Florida Statutes, and Chapter 125, Florida Statutes, as amended; and

WHEREAS, the recent downturn in the local economy has resulted in unprecedented rates of unemployment in Pasco County that are greater than the State unemployment rates; and

WHEREAS, the Pasco County Board of County Commissioners ("Board") has determined that putting its citizens back to work is a high priority for every level of government; and

WHEREAS, the Board finds that constructing new parks and recreation, library, fire combat and rescue service, and hurricane shelter facilities does provide employment to the local construction industry, but Pasco County has no immediate plans to construct such facilities due to declining ad valorem revenue to operate and maintain such facilities; and

WHEREAS, the Board desires to continue acquiring land for future parks and recreation, library, and fire combat and rescue service facilities, and provide credits to developments that provide land for such facilities, to ensure that there are locations to place such facilities when Pasco County has sufficient funds to operate and maintain such facilities; and

WHEREAS, due to the continued downturn in the local economy, and specifically, the local construction and home building industries, and due the Board’s present inability to fund the operation and maintenance of new parks and recreation, library, fire combat and rescue service, and hurricane shelter facilities, the Board desires to attempt to boost economic development and new construction by temporarily suspending the facilities portion of the parks and recreation, library, and fire combat and rescue service impact fees, and temporarily suspending the hurricane preparedness impact fees (the “Suspended Fees”); and

WHEREAS, the Board intends for this to be a short-term measure applicable to building permits applied for or issued on or after March 1, 2011 through December 31, 2012 for which neither the application or building permit subsequently expire, and desires to use this specific time period to analyze whether reducing the Suspended Fees has the effect of boosting economic development and new construction in Pasco County; and

WHEREAS, the Board does not desire to apply the suspension to buildings with building permits issued prior to March 1, 2011, because such buildings were issued building permits prior to the Board deciding to temporarily suspend impact fees, and applying the suspension to such buildings would skew the Board’s analysis of the effect of the impact fee suspension on construction activity; and
WHEREAS, this temporary suspension shall not affect the validity of any studies, master plans, or data supporting the calculation, imposition or expenditure of the Suspended Fees, and the Suspended Fees shall not be considered new or increased impact fees when the suspension terminates on December 31, 2012; and

WHEREAS, to the extent it is determined that the Suspended Fees are new or increased impact fees when the suspension terminates on December 31, 2012, the Board hereby gives notice, by publication and adoption of this Ordinance, of its intent to increase the Suspended Fees effective December 31, 2012; and

WHEREAS, notice of the imposition of these amended impact fees effective June 1, 2011, or thereafter, and retroactive to all building permits applied for or issued on or after March 1, 2011 was published in a paper of general circulation in the County on February 27, 2011; and

WHEREAS, pursuant to law, notice has been given by publication in a paper of general circulation in the County, notifying the public of this proposed ordinance and of a public hearing; and

WHEREAS, a public hearing before the Board was held pursuant to the published notice described above, at which the parties in interest and all other citizens so desiring had an opportunity to be and were in fact heard.
