**RE: Charter Advisory Committee – Presentation**

Dear Chairman Schrader:

As you are aware, the Charter Advisory Committee has been formed with the intent to conduct an in-depth study of Pasco County's government. In our efforts to properly assess the way in which Pasco's government operates, we are asking for informational presentations from our Constitutional Officers, Board of County Commissioners and the County Administrator. This is an opportunity for the members of the committee and the public to become acquainted with the duties, responsibilities and services your office provides to our community. Additionally, we ask that you provide the committee with your views of how a County Charter could positively and negatively affect your office and how it delivers services to our citizens.

As such, we would ask if you are available to present to the Charter Advisory Committee for up-to one hour, during an afternoon session based on the topics mentioned above. The meeting is scheduled for 2:30 p.m. to 5:00 p.m. on July 13, 2015, we would appreciate it if you could allot a few minutes for a question and answer session during your presentation. The location of the meeting will be at the Historic Courthouse, Board Room, Second Floor in Dade City.

We would appreciate if you would confirm your attendance to the meeting by contacting Paula Baracaldo, Planner I - Strategic Policy, [pbaracaldo@pascocountyfl.net](mailto:pbaracaldo@pascocountyfl.net) or via telephone at (727) 815-7178. A copy of the agenda for the day, together with additional information will be forwarded to you closer to the date.
