

How do I repay this loan?

The funds provided through Pasco County will be a zero interest loan that is recorded as a second mortgage on your home. These funds must be repaid.

The repayment of these funds helps sustain our programs, allowing other homebuyers to be assisted in the future. Very Low and Low applicants will begin payback in 5 years; Moderate income applicants will begin paying back their loan immediately.

Lenders/Realtors

Eligible homebuyers must work with both a Pasco County Approved Lender to secure a first mortgage, and a Pasco County Approved Realtor who will help identify eligible homes that are available for purchase. Visit our website to see the list of approved leaders and realtors.
