

Action Plan Needs Assessment Resident Survey

Pasco County is in the process of preparing the 2020 Action Plan as required by the U.S. Department of Housing and Urban Development (HUD). The Action Plan allows the County to utilize the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), and HOME Investment Partnership Act (HOME) funds within the County.

This Resident Needs Assessment Survey focuses on the four areas of concern gathered from the responses generated last year; crime, mental illness, substance abuse, and homelessness.

Your responses to these questions are an essential component of the County's planning process. Should you need assistance or have questions regarding the survey, please email Community Development at Communitydev@pascocountyfl.net.
