

November 2020 Highlights

Pasco County Animal Services (PCAS) represented on national board

[Pasco County Animal Services](#) Assistant Director Spencer Conover has been awarded a position on the Board of Directors for the National Animal Care & Control Association. Spencer has been with PCAS since April 2018. As part of the NACA board, he will help shape policy, create programs and provide support to animal control agencies around the United States. He will serve a one-year unexpired term before becoming eligible for election to a three-year term in 2021. Spencer also is part of the industry engagement working group for Human Animal Support Services, recently completed the Best Friends Executive Leadership Certification program and is pursuing a master's degree, studying contemporary animal services leadership.
